

Clients, partners and supply chain

Overarching goal

We are looking beyond our direct business towards our value chain which ultimately helps us to deliver up to 400 events every year. Due to our business model being centred around in-person events, we ensure that we are acting responsibly and accounting for our impact throughout the value chain.

ExCeL London has a responsibility to

- Consider the environmental and human impact of our procurement.
- Encourage and support our clients to make sustainable choices.
- Influence best practice across our supply chain and the industry.

SDGs

Material issues

Waste management

Cost of living

Sustainable procurement

Food and beverage

Climate action

KPIs

- Maintain London Living Wage accreditation
- Year-on-year increase in sustainable procurement of materials and products
- Year-on-year increase in sustainable media products offered to clients
- Year-on-year increase in sustainable food and beverage menus offered to clients
- Compliance with ESG supply chain criteria
- Continuously reduce Scope 3 emissions

Long-term goals (by 2030)

Sustainable procurement

- ESG to be considered as part of all procurement choices.
- ESG standards for procurement to be followed.
- All suppliers regularly assessed against ESG criteria.
- Reduce Scope 3 emissions as detailed in the Net Zero Carbon Events Roadmap.
- Improve ESG scores across our supply chain as determined by our supplier assessment process.

Food and beverage hospitality

- Deliver net zero carbon menu choices for clients.

Food and beverage retail

- Deliver sustainable food choices for visitors.

Media products

- Offer a fully sustainable media product range.

Value chain engagement

- Prohibit the use of carbon-intensive and non-recyclable products at our venue.
- Deliver net zero carbon events.

Venue partners

- Provide a unified sustainable approach to delivering events with our venue partners.
