- 4.** For those last-minute essentials, go to the Business Services shop at ExCeL. The team can also help with your last minute photocopying and printing requirements. <https://www.excel.london/exhibitor/venue-services/business-services>
- 5.** Fancy a walk or a run before or after the event? Go down to the cable car and turn left passed City Hall and round the dock to the SS Robin <http://ssrobin.com/about#Overview>
- 6.** After-event entertainment on your doorstep. The Elizabeth line offers plenty of options beyond the campus and of course the O2 is on our doorstep. - 7.** Fancy a quiet moment of reflection. Use our newly refurbished prayer room on the boulevard. It is located next to the S9 entrance.
- 8.** Use the free water refill stations on the Boulevard to keep hydrated. They are located East and West Entrances and by the halls S4 and S7.
- 9.** Getting to the venue couldn't be easier by public transport. Either the Elizabeth line or the DLR bring you right to the door. You could take the IFS Cloud cable car or the Uber Boat. If you're planning to drive it costs £20 for 24 hours to use the car park under the venue. More information on routes can be found here <https://www.excel.london/exhibitor/getting-here>
